

Hegemone

Farrow & Ball

Subtle neutral or striking metallic, delicate floral or classic stripe - whatever your style, you'll find it among our handcrafted wallpapers.

Less rigid and defined than a classic floral pattern, each colourful spray within our Hegemone wallpaper is wonderfully optimistic and looks almost as if it has been cut from paper. Taking its name from the Greek goddess of fruit and flowers, the design blooms freely in all directions to bring your walls to life.

Full roll width is 53cm/21", roll length is 10m, pattern repeat is 68cm/26 3/4", Available in 6 colourways.
